# SIMS Options Online

## Step 1

From the Parent App/Pupil App parents and students can select the SIMS Options icon to load SIMS Online.

SIMS Online can also be access directly at <https://www.sims-options.co.uk/#/home>, however, this will require parents and pupils to login in using their Parent App/Pupil App account to enter the system.

Selecting the SIMS Option icon should load the system automatically.

## Step 2

Read the instructions provided on screen and access the additional information as required (the text contains active links that will open resources in a new window).

### A Level Subject Choice Form

All Year 12 pupils are asked to complete this form to provide information on the subjects they wish to study at A Level. This is the final choice information collected during this academic year, however, it is possible to reconsider options after results are released in August.

Insufficient student demand for any subject or other timetabling constraint may result in the withdrawal of that subject from the curriculum (at least on a temporary basis). As a result, it may be necessary to alter the subjects available in Banbridge Academy.

Please review the subject information available on the school website (<http://www.banbridgeacademy.org.uk/parental-information-3/policiesdocuments/>), the *Subject Choice Booklet*, the Year 12 Options Presentation (<https://www.youtube.com/watch?v=zCnlhL7n0&t=1183s>) and the information posted in individual subject Google Classrooms and the Careers Google Classroom.

Only ONE subject may be selected from each Option block.

A minimum of THREE subjects must be selected. When no academic subject is being selected from an Option Block, Study should be selected.

Students selecting four subject will not select the Study option from any block.

Students studying three subjects will select the Study option from one block.

This form should be completed by **Friday 18 March**.

## Step 3

Make option choices by selecting an option from each of the Option blocks. When selected a choice will change colour.
