

Subject Choices

Year 12

Subject Choices are made through the **Pupil App** and can be viewed by parents via the **Parent App**. Subject Choices can also be made on a **desktop computer**, as shown below, but pupils / parents must have an account for the SIMS App to access options via a desktop computer.

Pupil App

Access to the Pupil App is achieved through the C2k User Accounts (@c2ken.net).

A guide for pupils to access the Pupil App is available at the link below.

<http://www.banbridgeacademy.org.uk/wp-content/uploads/2022/03/Registering-for-the-SIMS-Student-App-Update-01.03.2022.pdf>

If pupils are having difficulties accessing the Pupil App please see Mr Curran (*ICT Technician*) in G117.

Parent App

Parents can access the Subject Choice System via the Parent App.

Information and support on registering and accessing the Parent App can be found at the following links.

Desktop Computer

Access the following address: <https://www.sims-options.co.uk/#/home>. *The same account used for the Parent App must be used to login from a desktop computer.

Select your account for the SIMS App, for pupils this will be the Microsoft option highlighted.

Pupils:

If prompted please enter your c2k username with the domain @c2ken.net e.g.

The image shows a Microsoft sign-in page. At the top left is the Microsoft logo. Below it is the heading "Sign in". Underneath is a text input field with the placeholder text "Email, phone, or Skype". Below the input field are two links: "No account? Create one!" and "Can't access your account?". At the bottom right are two buttons: a grey "Back" button and a blue "Next" button. At the bottom of the page is a white bar with a key icon and the text "Sign-in options".

SIMS Options Online

Step 1

From the Parent App/Pupil App parents and students can select the SIMS Options icon to load SIMS Online.

SIMS Online can also be access directly at <https://www.sims-options.co.uk/#/home>, however, this will require parents and pupils to login in using their Parent App/Pupil App account to enter the system.

Selecting the SIMS Option icon should load the system automatically.

Step 2

Read the instructions provided on screen and access the additional information as required (the text contains active links that will open resources in a new window).

A Level Subject Choice Survey 2026

All Year 12 pupils are asked to complete this form to provide information on the subjects they may wish to study at A Level.

This survey is **not** for final decisions, which will be made in March, but will help us assess the viability of certain subjects and assist in planning the timetable.

This form may be completed at home or during Career classes by **Friday, 6 February**.

Insufficient student demand for any subject or other timetabling constraint may result in the withdrawal of that subject from the curriculum (at least on a temporary basis). As a result, it may be necessary to alter the subjects available in Banbridge Academy.

Please review the subject information available on the school website (<http://www.banbridgeacademy.org.uk/parental-information-3/policiesdocuments/>), the [Subject Choice Information](#), the Year 12 Options Presentation (Youtube: [Year 12 Options 2025](#)) and the information posted in individual subject Google Classrooms and the Careers Google Classroom.

Only ONE subject may be selected from each Option block.

A minimum of THREE subjects must be selected.

Students studying **three subjects** will not make a selection from one block.

Step 3

Make option choices by selecting an option from each of the Option blocks. When selected a choice will change colour. Please read the instructions in each block carefully.
