“Staying Safe:- Dealing with COVID-19. A booklet for post-primary pupils”

This booklet is designed to support pupils and their parents who have a diagnosis of ASD during this difficult time. However, it is also useful for all parents and pupils. Both with understanding of and dealing with anxiety around COVID-19 and to provide access to useful resources to support home schooling. The booklet is designed as a pdf and not to be printed as by clicking on the links to websites, the hyperlink will automatically take you there.

During the period of the COVID – 19 crisis, the Autism Advisory and Intervention Service (AAIS) is suspending its normal service. As this is a very difficult and unsettling time for everyone, the Service will endeavour to provide as much support as possible in the current circumstances.
