

10 September 2020

Dear Parent/Guardian

We have received communication today from the Chief Medical Officer for all parents and guardians. For your convenience we have placed the letter and information leaflet on the homepage of the school website and in the parental information- letters home - September 2020 section.

<http://www.banbridgeacademy.org.uk/parental-information-3/letters-home/>

I encourage all parent/guardians to read this information. I take this opportunity to again remind parents - **Pupils should wear a face covering in corridors and other communal areas, including school transport. Please ensure your son/daughter has a face covering every day and wears it accordingly as we work together to minimise the risk to everyone in our community.**

Once again thank you for your ongoing support and please keep the school informed of any Covid tests. This is an extremely challenging time for us all, however, your child's wellbeing and future is of the utmost importance. I know if we continue to work together we will provide secure, high quality education for your son/daughter.

Kind regards

R S McLoughlin
Principal
Banbridge Academy
