

AmmA Creative Workshops - Summer 2018

Minecraft

An epic three-day challenge to construct a virtual replica of the new Armagh Southern Regional College (SRC) using Minecraft. Participants will:

- have an opportunity to visit the construction site for a guided survey of the new build;
- work from real 2D architectural plans to build a scaled copy of the entire new site;
- work in teams to build the large scale structure from foundation to ceiling.

Dates: Monday 2nd – Wednesday 4th July 2018 [3-day workshop]

Number of Places: 12 **Age:** 12 - 15

Young Hands Make Art!

Having fun with colour, shape and space – release your natural creativity and imagination in response to artists' work, storytelling and music.

- A series of fun mark-making, drawing and painting activities;
- Responding to sounds and music;
- A chance to create and collaborate art work.

Dates: Tuesday 3rd – Wednesday 4th July 2018 [2-day workshop]

Number of Places: 12 **Age:** 8 - 13

Create and Animate

Be part of a collaborative animation. Develop your animation skills to create a bespoke animation for screening at Armagh's famous 7 Hills Blues Fest 2018. Applicants must have previous animation experience.

Dates: Monday 9th – Tuesday 10th July 2018 [2-day workshop]

Number of Places: 8 **Age:** 15 - 18

Game Making

This 2-day workshop will take you through everything you need to know about creating games. Learn all about creating characters, settings, enemies, power-ups as well as how storytelling can change how a game plays. Learn basic coding techniques used in games such as Mario, Overwatch, Fortnite and many more. This will be a fun and challenging workshop.

Dates: Wednesday 18th – Thursday 19th July 2018 [2-day workshop]

Number of Places: 16 **Age:** 8 - 12

All workshops run from 10.00 a.m. – 3.00 p.m. at a cost of £5 per day.

Apply online at www.ammacentre.org under 'Latest News'. Closing date for applications: 15th June 2018
