

29 March 2023

Dear Parent/Guardian

I trust this letter finds you and your family well. As you are aware, the term finishes for the students at 12.35pm this Friday – please find the bus schedule below.

As highlighted previously, the exact date on which GCSE, AS and A Level students will leave school on Study Leave in May has not yet been decided. **As students have only a few weeks/months until their examinations, it is important that they are now working diligently and adopting a serious approach to revision.** The coming weeks and the Easter holidays are a time when extra hours of study can take place. Teachers have already stressed the need to produce a detailed study plan and to have this prominently displayed at home. **Good attendance at school between now and the examinations is essential. All we ask is that your son/daughter continues to give of their absolute best for the remaining weeks and please be assured that we will do everything to support them in their journey.**

The School will contact you again when Study Leave begins, outlining the final details regarding the examinations. However, please note the examination results will be available as follows:

A & AS Level Results - Thursday 17 August 2023
GCSE Results – Thursday 24 August 2023

It is vitally important your son/daughter is available at this time to make key decisions regarding his/her future.

YEAR 13 - AS Level students should note, as has become common practice in most schools across Northern Ireland, that they will return to normal class, following their AS examinations, so that they can **continue their A Level studies. AS students must attend school as normal Monday 12 June – Friday 23 June inclusive.** In addition, all Year 13 parents are invited to an in-person **UCAS and Careers Information Session 6.00 – 7.00pm on Monday 12 June** in the School Assembly Hall.

I take this opportunity to mention the wonderful success of your son/daughter in the vast array of extra and co-curricular activities across the school – it has been an outstanding season. I have thoroughly enjoyed talking to many of you at these events, and it is evident that your son/daughter greatly appreciates your support. These activities give your son/daughter the opportunity to develop the transferable skills required for life and I encourage your son/daughter to stay involved in the wider life of the school.

I have outlined (below) a reminder of the key dates for the remainder of the academic year 2022/23. In addition, you will find the provisional holiday dates for the academic year 2023/24 on the school website on the Key Dates tab - <https://www.banbridgeacademy.org.uk/wp-content/uploads/2023/03/Holidays-2022-23-2023-24.pdf>

All students in Years 11-14 have now signed and confirmed their examination statement of entries for Summer 2023. Public Examination timetables have been given to the students in Years 11-14 during registration. Students should note the date and time for each of their examinations and place this timetable in a prominent position at home. **It is vitally important that all students are available to sit their examination on the dates specified by the examination authorities.**
