PRESIDENTS' MESSAGES

As Ulster Hockey President, may I take this opportunity to welcome you all to Ulster for the All Ireland Schools' (Boys') 2023 Tournament.

It is a great honour to play in a tournament of this stature.

Each and everyone of you should be very proud of yourselves for this achievement. May I take the opportunity to thank Banbridge Academy for organising the tournament.

And, to all of the volunteers, parents and families, without whom we would not be here today.

Thanks must also go to Banbridge Hockey Club, Portadown Hockey Club and Dromore Hockey Club for the use of their very impressive facilities.

Lastly, enjoy this unique experience and remember you are all winners.

Yours in Sport

Margaret McCormack

Ulster Hockey President

I extend a warm welcome to all Schools participating in this year's Tournament in Ulster. This Tournament provides a great opportunity for players to represent their School on the national stage. Looking at the participating teams we are promised a feast of exciting and competitive hockey.

This is probably one of the biggest sporting events in the sports calendar and I thank Ulster Hockey for hosting the Tournament.

In particular a special word of thanks to Banbridge Academy together with the organising committee for their hard work in preparation for this week and organising the four venues.

To all our officials our appreciation for your voluntary commitment in ensuring the games run smoothly.

I know parents and families will be in attendance in great numbers and like myself are looking forward to meeting old friends and to enjoy watching our future Senior international players.

I wish all teams every success in their endeavours.

John Dennis

President Hockey Ireland

PRINCIPAL'S WELCOME

It is a privilege to welcome our friends from all over the island of Ireland to this prestigious tournament. Many congratulations to every school, their coaches and most importantly the players on qualifying for the All-Ireland Schools' (Boys) Championships 2023, the pinnacle of hockey at school level. Hockey is well known for bringing people together and I know we will all enjoy elite sporting performances at the same time as renewing acquaintances and building new friendships.

We hope that you enjoy the tournament and best wishes to the players, coaches and your supporters, as we anticipate the joy and the heartache that comes with competitive sport. In the words of legendary coach John Wooden, "Winning takes talent; to repeat it takes character". Following many epic battles various illustrious names have been etched on the famous Tasmanian Shield and this year the best school teams in Ireland will battle it out again to create their own piece of history by adding their name to the Tasmanian Shield and the Herbie Sharman Perpetual Shield.

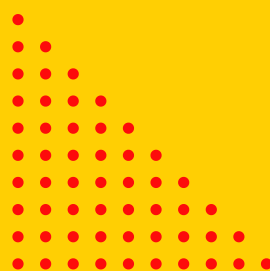

A special welcome to Mr John Dennis (Hockey Ireland President), Mr George Blackwell (Irish Schools' Committee Chair), Mrs Margaret McCormack (Ulster Hockey President), Mrs Ann Rosa (Ulster Hockey Schools' Chair) and Marc Scott (Ulster Hockey Chief Executive). We thank them and the Presidents from the other provinces for their ongoing support throughout the season as we seek to develop the wonderful sport of hockey. Our sincere thanks and appreciation to Banbridge Hockey Club, Dromore Hockey Club and Portadown Hockey Club for the use of their excellent facilities at Havelock Park, Ferris Park and Edenvilla throughout the tournament. Without their support the tournament simply would not take place. Thanks too to my own colleagues for their extraordinary efforts in making the necessary arrangements to ensure a successful tournament and in particular, Mr Colin Walker (Head of Boys' Hockey, Banbridge Academy).

We are delighted that two former students of the Academy, Mr Eugene Magee (most capped Irish Mens' International in history – 295 caps) and Mr Mark Tumilty (Hockey Ireland men's head coach) are able to join us for our Gala Dinner and they will be present at most of the tournament. You never know where your school hockey journey might lead; Eugene won numerous schoolboy titles and then proceeded to become one of the best ever Irish Internationals. I conclude with Eugene's wise words of advice, that he has given to young players over the years, "Play with freedom, hard work and a smile and the rest will take care of itself."

Mr Robin S McLoughlin OBE
Headmaster
Banbridge Academy
